

How to make a purchase

Welcome. This guide helps you to complete a purchase and how to check out. Let's start with some basic information about your options.

01234567891011-12131

this is an example how a license number
looks like

SignCut Productivity Pro subscription model which is a license number that you enter in the program.

This version requires Internet access.

SignCut Productivity Pro Lifetime License with a dongle that work as a security lock which is an USB hardware lock. This is a one-time purchase.

This alternative requires no Internet access.

Please go to our online store <http://www.signcut.net/eshop/>

Choose one option that best suits you the best by click on it.

A new page opens. Enter your license number, the validation field recognizes the license number and tells you what version you are using. Email address and choose if you want to purchase additional support.

If you don't know your license number, please do as follows.

- Open SignCut
- Go to the help menu
- Click "about SignCut"

The dialog box will show you your license number.

It is important that right license number is entered when you make your purchase.

(If you don't have a license number sign up for a trial-version at www.signcutpro.com/trial.html an email will be sent to you. Click on the link in that email and you will get a license number.)

- When you've entered the information on the product page you click on Add to cart.

This will take you to your cart where you can review the details to make sure it is correct. After that click on Proceed to checkout.

How to check out

1. Checkout Method - At the moment i is our customer-login deactivated. So check out as a guest. Mark that option and click continue.
2. Billing Information - Write your billing information in all the fields that has a red * (star). And then, click continue.
3. Payment Information - This step will inform you that you will be redirected to the PayPal website where you can choose to pay with a PayPal account or your credit card. Click continue.
4. Order Review - Review your order again then read and accept the license agreements. Click Place order. You will now be forwarded to PayPal

Complete the purchase. It takes about a minute until the license (if you did purchase the subscription version of SignCut) is extended and you can continue using the program.

If you purchased SignCut Lifetime which comes with a dongle you will get an email with a temporary license that you can use until your dongle has arrived. It is a physical delivery and takes a few days. Normally 3-5 days depending on where it is sent to.

If the purchase is difficult to complete, Email your order to us. order@signcut.net. Please state your company details and invoice information. Don't forget to state what product you want to buy and your license number.

Thank you for using SignCut. For any further questions regarding purchase, please contact our live chat support or send us an email at order@signcut.net
